

**Instruction of routines for working with open radioactive sources in the isotope lab**

Version : 2 (new lay out)

Page : 1 of 1

Elaborated for NCMM:

Earlier Radiation- safety coordinator:

Jorun Solheim

HSE coordinator: Liv Bjørland

Approved:

Kjetil Taskén

Date : 18.08.14

Converted: 17.02.17

**ITEMS:**

1. **Mandatory courses at UiO**
2. **Dosimeters**
3. **Ordering of isotopes**
4. **Hoods**
5. **Lists for logging**
6. **Monitors ( use and control)**
7. **Waste**
8. **Decontamination**
9. **Clean up**

**Radiation safety and guidelines. (Link to internal web page):**
