

HELSEF4510 Medical and Health Related Research Ethics

Spring 2024

Assessment guidelines

<https://www.uio.no/studier/emner/medisin/helsefag/HELSEF4510/>

- For an exam to pass, it must meet ALL of the following:
- It is at least 5 pages, excluding cover page and references;
- The essay is on research ethics or research integrity (not, for example, clinical ethics or public health ethics);
- Is an essay on any of the following:
 - any of the topics addressed in the course, or
 - assignment defined by the student (e.g. related to your project), or
 - a case (research project) from their own country;
- It is written as an academic paper;
- It uses one or several of the ethical principles or ethical theories in the process of justifying a position;
- Provides citation and references
